

Charges

One-off charges taken before or after you invest	
Entry charge	2.00 %
Exit charge	0.00 %
This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.	
Charges taken from the fund over a year	
Ongoing charges	2.14%
Charges taken from the fund under certain specific conditions	
None	

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures. In some cases you might pay less - you can find this out from your financial adviser.

In case of switch from this share class into another share class of this sub-fund or of another sub-fund, no conversion fee will be charged. Ongoing charges are based on the expenses for the last financial year ended 31 December 2020. The UCITS' annual report for each financial year will include detail on the exact charges made. They may vary from year to year and do not include transaction costs (except in the case of entry/exit charges paid by the UCITS when buying or selling units of another collective investment vehicle).

For more information on fees and charges calculation methods, please refer to the prospectus at www.vector.lu.

Past Performance

Please be aware that performance in the past is not a reliable indicator of future results. Performance may vary over time.

Ongoing fund charges are included in the calculation of past performance. The entry fees are excluded from the calculation of past performance. Past performances have been calculated in EUR.

Vector Top Managers Mixed I CAP came into existence in November 2010. The fund is actively managed, with no reference to a benchmark.
