Declarations and Signature

As Investor, I hereby expressly declare and approve the following:

- 1) I have read a copy of the latest Prospectus of the Fund and have received a copy of the latest available financial reports. I am fully aware of and understand the financial risks associated with a subscription to the Fund and I accept that market fluctuations may lead to a loss of all or part of my capital. However, I confirm that this investment is appropriate for my needs.
- 2) The present subscription order is binding on me. However, I understand that the Fund or its Transfer Agent may reject this subscription order in full or in part without having to justify its decision and that the Fund or its Transfer Agent has the right to request and obtain information, documents or other items for the purpose of identifying the beneficiary of this subscription as well as any document that the Fund may consider necessary to enable it to meet its legal and regulatory obligations and to maintain its relationship with me. In particular, I confirm that I meet all the conditions of eligibility. The Fund is authorised to request a compulsory redemption at the redemption price of the day in question. I shall be obliged to compensate the Fund for any possible losses incurred. The subscription order may be deferred until the next valuation date following the date on which the Fund or its Agent has received all the information concerning myself in a form satisfactory to the Fund or its Agent. Where necessary, any payment made before the formal acceptance of the subscription shall be deposited in a non interest-bearing account.
- 3) I agree to transfer under good value date the correct subscription amount in the correct currency. I understand that in the case of non-payment of the correct subscription amount under good value date, the subscription may be cancelled and the Fund shall bear the costs of such a cancellation. The Fund may therefore take repeated judicial or non-judicial action against me or any representative as a result of non-payment.
- 4) The present subscription form may be sent by post or fax and the subscription orders may be sent by Swift. The Fund or its Agent shall not be held responsible for the acceptance of a subscription order sent by fax. I undertake to forward immediately the original subscription form to the Fund or its Agent by express or priority mail at my own expense. The Fund or its Agent may refuse any subscription order received or cancel any subscription orders accepted by fax, if the original subscription form does not reach them within five working days following the appropriate valuation date. The absence of the original may not be used against the Fund or its Agent. The Investor agrees to compensate the Fund for any losses resulting from the cancellation of a subscription.
- 5) The Fund or its Agent shall communicate all correspondence to me at my own risk by ordinary post or by registered post if the laws and regulations of Luxembourg deem it necessary, to the address indicated on the present subscription form (or to any other address which I may notify the Fund or its Agent in the future). I accept that all correspondence sent by the Fund or its Agent is considered as being valid from the time it has been sent to the aforementioned address, the presumed date of dispatch being the date appearing on the copy (or the dispatch list) kept by the Fund or its Agent.
- 6) Any requests or complaints that I may have relative to any transaction of the Fund shall be sent in writing to the Fund or its Agent.
- 7) The Fund and its Agent compare the signatures sent to them with the specimens held at their offices without having to proceed with a more detailed investigation. With the exception of legally binding regulations, the Fund and its Agent only declare an obligation of means and are only liable in the case of gross misconduct.
- 8) Once the signature complies at first glance with the specimens held at their offices, the Fund or its Agent shall not be held responsible for any damages caused by the fact that the signatures on the instructions given to the Fund or its Agent are fraudulent. The Fund or its Agent may trust the signature below without having to proceed with a more detailed investigation and decline all responsibility for damages that could result from the absence of any legitimization or any undetected forgery.
- 9) Without prejudice to the above, the Fund and its Agent are not liable for damages which may be directly or indirectly caused by the lack of authenticity or validity of the authorisations which refer to me or third parties with the legal capacity to act on my behalf.
- 10) The Fund or its Agent reserve the right to refuse to process an instruction from any person whose identity and permissions have not been sufficiently established in the eyes of the Fund or its Agent.
- 11) The Fund or its Agent shall not be responsible for damages caused in the event of my legal incapacity or third party authorised to act on my behalf, provided the Fund or its Agent has not received prior written notice of the fact.
- 12) I shall compensate and reimburse the Fund or its Agent for all complaints, claims, legal action, fees, expenses, damages, losses or other sums paid or responsibilities incurred by the Fund or its Agent resulting from the execution by the Fund or its Agent of an instruction on my part.

General Provisions

I) Subscription conditions

Subscriptions will only be accepted if accompanied by the Identification Documents (see page 1). The Fund / Agent may request any additional information (including, but not limited to, a copy of the discretionary management mandate) in order to assess the qualification of the Investor as an institutional investor.

If the Fund / Agent considers that the Investor does not qualify as an institutional investor (see definition below) or if the Fund / Agent is unable on the basis of the documents provided by the Investor to ascertain that the Investor qualifies as an institutional investor, the Fund / Agent may at its full discretion, refuse the subscription request.

In such case, the Fund / Agent is entitled to forward all information and documents received in relation to the relevant shareholders to the CSSF.

II) Compulsory redemption

If it appears to the Fund that any shareholder, acting either alone or in conjunction with any other person, does not qualify as an institutional investor or if a subscription has been made on behalf of non-institutional clients on the basis of a discretionary management mandate and such mandate has been cancelled, the Fund may instruct such shareholder to sell his shares. If such shareholder fails to comply with such instruction within 30 days, the Fund may compulsorily redeem or cause to be redeemed all shares held by such shareholder at the then prevailing net asset value less redemption charges, if any.

The shareholder undertakes to indemnify the Fund or its Agent and hold the Fund or its Agent harmless against all demands, claims, actions, costs, expenses, damages, losses or other monies paid or liability incurred by the Fund or its Agent as a result of the fact that it appears that the concerned shareholder does not qualify, at any date after the subscription, as an institutional investor within the meaning of the 1991 Law.
